Sherborne Museum

Established in 1966, Sherborne Museum is an independent charity run by a board of Trustees. The Museum is fully accredited and maintains to formal conservation standards an expanding collection of artefacts, selections from which are on periodic display in the Museum.

In addition it has an active outreach programme, liaises with local schools and has a range of themed handling and loans boxes.

Donations and membership subscriptions are one way in which the work of the museum is supported and are vital to our sustainability. The second important contribution is the many volunteers who dedicate their time to running the museum on a day to day basis.
